THEME OF THE MONTH

Environmental Consciousness

**PLANTING A TREE EVERY DAY IS
ENOUGH TO SAVE THE EARTH.**

**Nothing is more beautiful
than the loveliness of the
woods before sunrise.**

Teacher Induction Program

Inductions related to various departments and fun-filled workshops for all the staff members of TSGE were organised during the first week of their resuming back. The academic year-2022-23 was commenced by welcoming the staff members back after their refreshing and much needed Summer Break. The purpose of these inductions and workshops were to prepare them for the new academic year by acquainting them with the Vision and Mission of the School as well as the history of how this organization came to be along with School Policies. Our Trustee, Ms. Karishma Singh, addressed the staff- sharing her experience as well as highlighting expectations of the staff. Teachers were given an opportunity to share their experiences about working in an IGCSE school as compared to other existing boards. Awareness workshops, sports activities, refreshing games, regular meditation and breathing exercises, dance/music fun sessions, movie time were organised over the span of two weeks which undoubtedly benefited everyone. These events not only boosted the moral but also charged them with new energy to begin their new academic year with zeal.

Wonder Years' Orientation

*“A new school year means new beginnings, new adventures,
and new challenges”- Denise Witmer*

Holding on to this spirit in the new year, Thakur School of Global Education had arranged an Orientation at the beginning of the new Academic Year (2022-23) for the parents of Wonder Years on 3rd June 2022 in the school premises. The main agenda of the session was to guide the parents on the transition of seeing their ward step out of home and step into the World of TSGE.

The Orientation included an insight into the History of the School, its Curriculum, Academic Achievements of Grade X learners Student-Led Conferences and Activities in Wonder Years.

Guidelines on Special facilities of AR / VR, Field Trips, Celebrations, other events, Canteen facilities, Uniforms, Attendance, and Social Media were also given. Expressions of satisfaction and relief were witnessed on the faces of those who attended this orientation.

Welcome Back To School

Joy is the celebration of life. We celebrate this miracle of life in all the different shades whether it's during happy times or in hardships.

The new academic year began keeping in sync with the same thought. The assembly commenced with the Morning Prayer which provided us with peace and serenity to our minds and souls. The teachers had put up mesmerizing singing performance of the hymn 'Bind us together' along with the skit on 'Finally the first day of the offline school'. The energy of the performance was contagious which left the students in awe of them. All the students exhibited their excitement for the commencement of the new academic year.

The Head of School welcomed the students and showered her good wishes for the new academic year. It was highlighted that our school has made a mark by winning different awards in various competitions and for conducting online lectures swiftly. Everyone was motivated to work harder to bring greater laurels to the school. The students were advised to raise the bar and focus on their new goals and aspirations.

A short induction was conducted where in the entire teaching faculty and administrative staff was introduced in the assembly. The students were dispersed to their new classrooms accompanied by their class teachers.

Diplomathon - Meet and Greet for Teachers

Diplomathon Global is an Award Winning Organisation which conducts simulation conferences via Experiential Learning Programs across 60+ countries globally. Thakur School of Global Education has always put their best foot forwards to bring such experiences within the reach of their learners. In order to achieve this, Ms. Rukhsar Shaikh (Head of Department-English) and Ms. Manasi D'costa (Head of Department- English) attended a 'Meet and Greet' event organized by Diplomathon on 7th June,2022 in Worli, Mumbai. The session attended with an aim to encourage our learners to participate and scale higher with confidence and zeal. The objective of the event was to share thoughts, experiences and learnings from the past events and get to know about the recent changes in the upcoming event. The session was attended by Principals, Coordinators and teachers of various schools.

Diplomathon Orientation

Diplomathon visited TSGE on June 27, 2022 to orient the learners and provide information of everything related to their history, existence and the upcoming events on 27th and 28th of August, 2022. Learners from Grade III to A Levels were briefed with information that would enable to decide how to register to be a part of such a significant event.

Here are a few glimpses of the two events.

Wonder Years Celebrates International Father's Day

When a child is born, right from day one, to him father is his superhero. Father's Day is one occasion which comes with an opportunity to make a dad feel special and make him realize his contribution in the whole family. To appreciate the hero in our life, Wonder Years celebrated Father's Day on 17th June 2022 by organizing a cricket match for our enthusiastic fathers in the school turf. Here is a glimpse of the fun-filled day for you!

International Yoga Day

International Yoga Day is celebrated on June 21 to create awareness about the benefits of Yoga. With great enthusiasm and high energy, we at TSGE celebrated the day in our school auditorium on the same day. The celebration commenced with a video enlightening everyone on the Evolution of Yoga in India and how its awareness has spread globally along with its benefits of practising yoga regularly. Few basic asanas and Surya Namaskar were demonstrated by Mr. Anup Thakur (Gymnastics teacher) and Ms. Sarika Mehta (Primary teacher). The participation of the students was worth the watch. The day was called off by chanting 'Om'. The auditorium was engulfed with positivity and essence of contentment within every individual present.

Empowering Students to be Future Leaders

Thakur school of Global Education conducted the much-awaited Student Council Elections on 24th June. It marked the initiation of new students' council in the academic year. On this day, all the elected students got to feel immense pride for being entrusted with such a grade of responsibility, which entails the production of a better tomorrow.

Candidates who were competing for various posts had to express their thoughts and reforms that they plan for the school using their original symbols, logos and slogans. The contestants were excited and upbeat about the whole campaigning process.

In recognition of the pivotal value of leadership in the emerging world, the school's students' council was selected after a rigorous democratic voting system, and the candidates had to go through many processes for the selection for the coveted positions. Each of the contestants tried to outshine their opponents and finally it led to the declaration of winners. These students will be bestowed with their roles and responsibilities in a solemn investiture ceremony in the next month.
