Day

## Teachers' Day Celebration

Beginning with solemn tribute to Dr. S. Radha Krishnan, students of Thakur International School- IGCSE and A levels, celebrated Teachers' Day on September 5, 2020 amid the Covid-19 pandemic restrictions, but this has not dampened the enthusiasm among students despite limitations.

This memorable celebration was organised by **Joy Ma'am** and the **PTA members**. Special thanks to **Nishtha Ma'am** for coordinating the same.

Over the past five months, students have become tech-savvy and they were prepared to use every bit of technology to celebrate the day though it was truly a challenging task.

Since in-person meetings were not possible, the students recorded videos of them rendering the dialogues and messages and compiled those into a single video for their lovely teachers. They organised various events for the teachers such as dance, speech, instrumental music and solo songs as a token of affection, respect and gratitude.

It was a truly enjoyable event and we appreciate the participation and enthusiasm of our beloved students.

The Investiture Ceremony is a proud moment for a school and if with changing times it is on a virtual platform it is much more innovative. Despite the widespread of the pandemic, the indomitable spirit of young talented leaders of Thakur International School- IGCSE and A Levels was commemorated by means of a Virtual Investiture Ceremony on September 8, 2020.

The event was presided over by the chief guest, **Major General Vikram Dev Dogra** and our principal, **Dr. Shunila Joy Chauhan**. It was conducted with high degree of earnestness and passion.

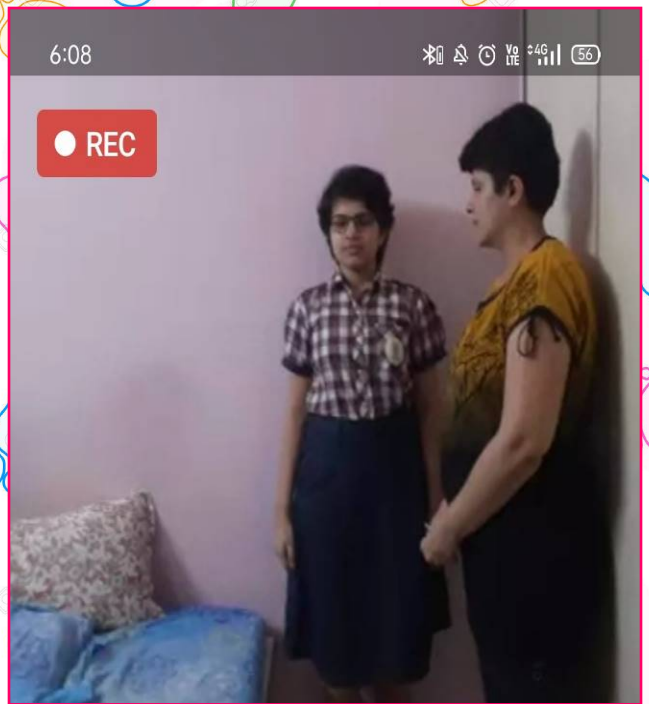

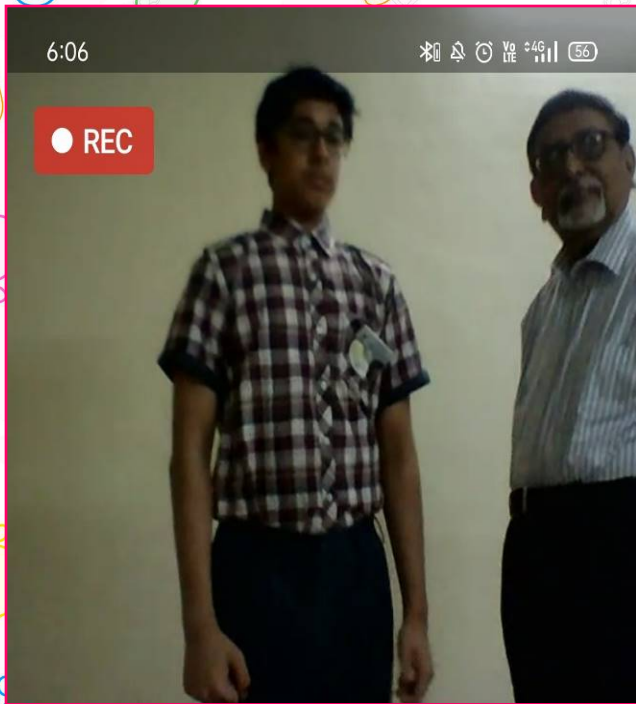

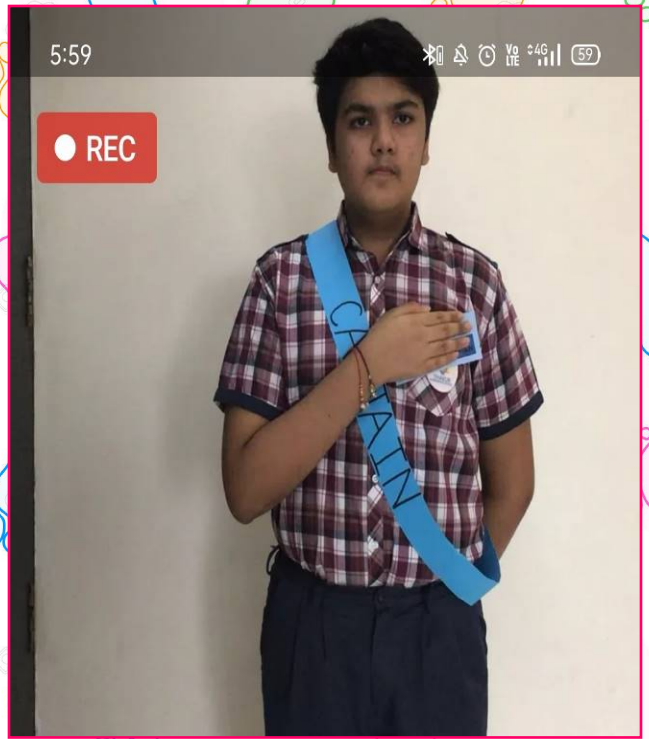

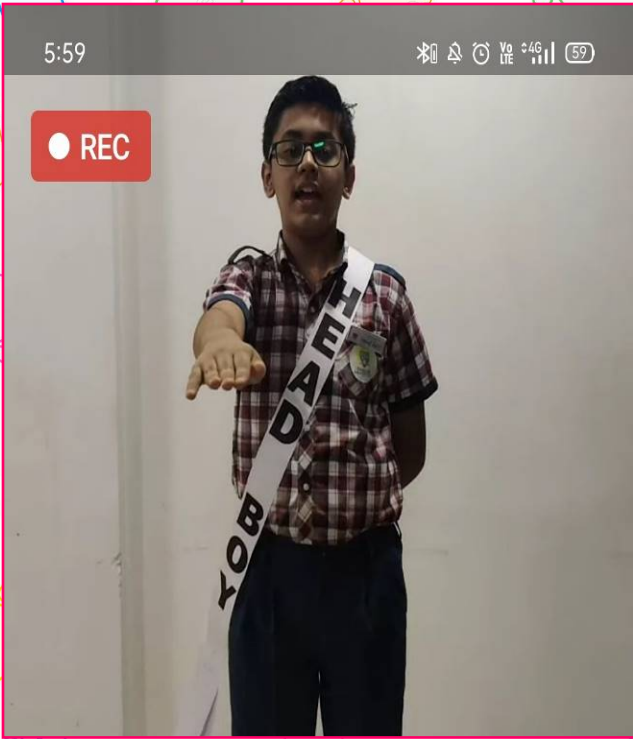

The ceremony flagged off with inspiring words of wisdom by the chief guest, Major General Vikram Dev Dogra. He congratulated the newly appointed school council members and their preparedness to take up responsibilities entrusted onto them. He also encouraged students to be committed towards significant issues and always be sentient of the fact that leadership comes with veracity. He shared his mantra of success and asked students to follow their dreams and remain positive.

The newly elected student leaders pledged to bestow their duties to the best of their abilities. The event was joined by students, parents and teachers. The occasion proved to be an exhilarating moment for all the office bearers who were filled with zeal and zest to take up their duties.

The Principal, Dr. Shunila Joy Chauhan also appreciated and congratulated them. She advised them to be role models and extended a supporting hand to the students' council for the smooth running of the school. The function concluded with the School Anthem and the National Anthem.

## Grandparents Day

**It was Grandparents Day to be cherished!**

**To honour grandparents, Thakur International School, IGCSE and A Levels, the students of Gr. I to Gr.IV hosted the event on September 11, 2020 under the guidance of the primary co-ordinator, Ms.Bhawna Bhardwaj and the teachers of the primary section.**

**The virtual celebration started with a warm welcome.**

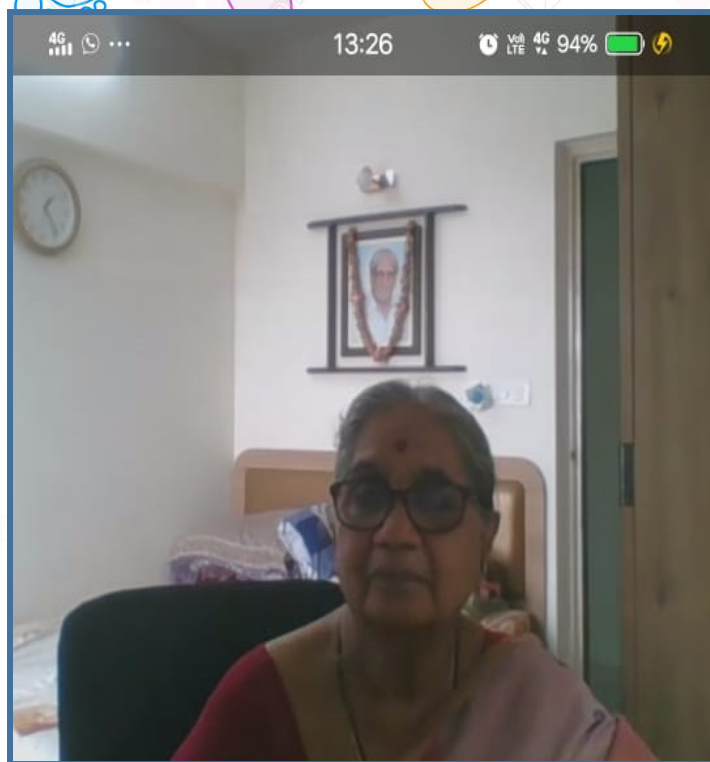

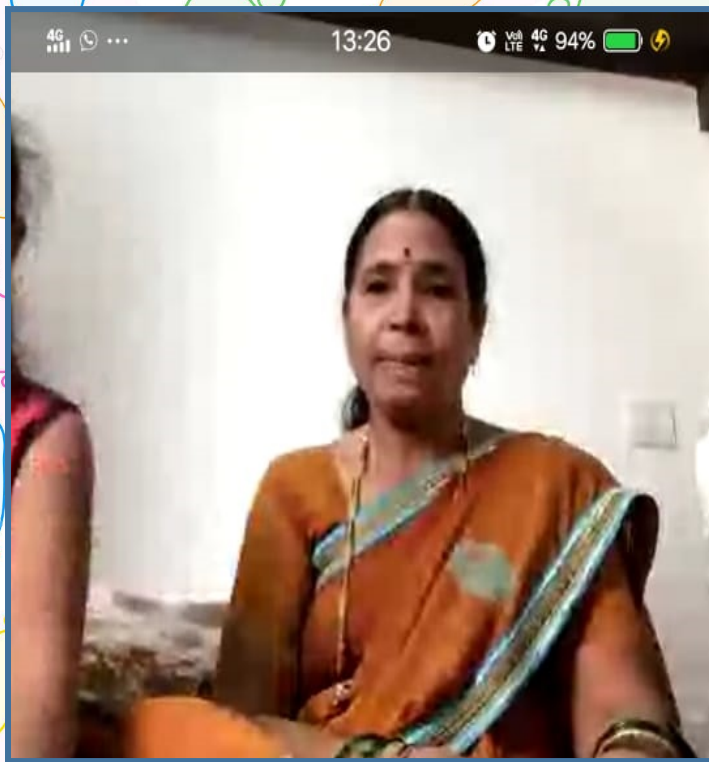

**The grandparents enthusiastically participated in fun activities like interviewing each other, sharing the stories behind them, identifying movies.**

**Their enthralling Antakshari performance left everybody spellbound and thoroughly mesmerized.**

**A student of Gr. IV performed a Kathak dance and Gr. III sang songs in their melodious voice.**

**It was a memorable moment for the grandparents who left with pleasant memories, lots of appreciation and heaps of blessings to the school and its management.**

WhiteHat Jr. and Thakur International School – IGCSE and A levels, collaborated to promote a new language- a coding language to the students of Thakur International. The webinar catered to all students from grades 1 to A levels. The webinar began with an instructor presenting what coding is and what is achievable by learning the language of coding. Next, the instructor gave information about the trip to the USA and a special visit to NASA facility. Moreover, they also elucidated the process of teaching. Finally, they discussed their packages for the sessions and its price. The webinar ended with doubt solving and question-answer session.

### CV Building Workshop

On August 28, 2020, the school arranged a CV Building Workshop with our trusted career guidance expert organisation, Univariety. The speaker for the day was Ms Deepali, who had provided excellent guidance for over a quinquennial as of today. The students swiftly moved on to learn about CV building and its importance.

Walt Disney once said 'If you can dream it, you can do it'. But no man is an island and each one of us needs a helping hand to achieve our goals. The school, along with Univariety, delivers such illuminating sessions time and again that undoubtedly contribute to shaping a bright future for the students.

# Glimpses of our Virtual Classrooms

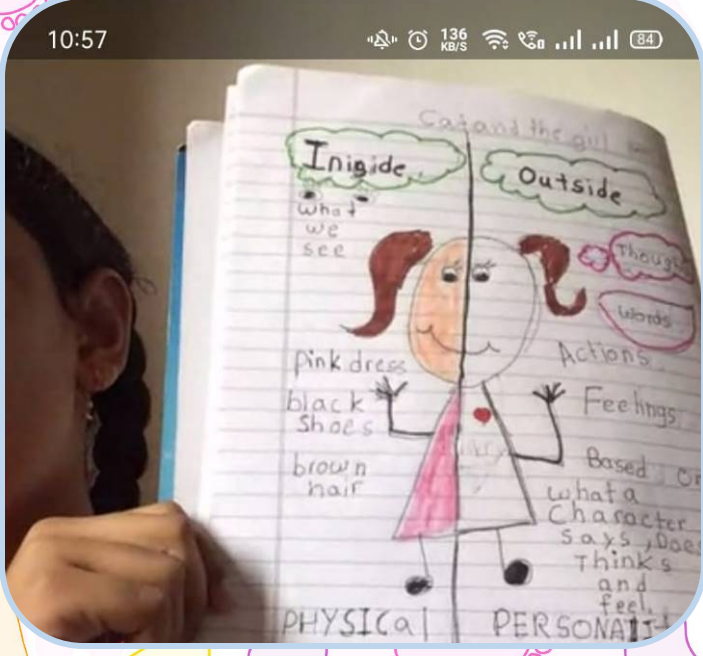

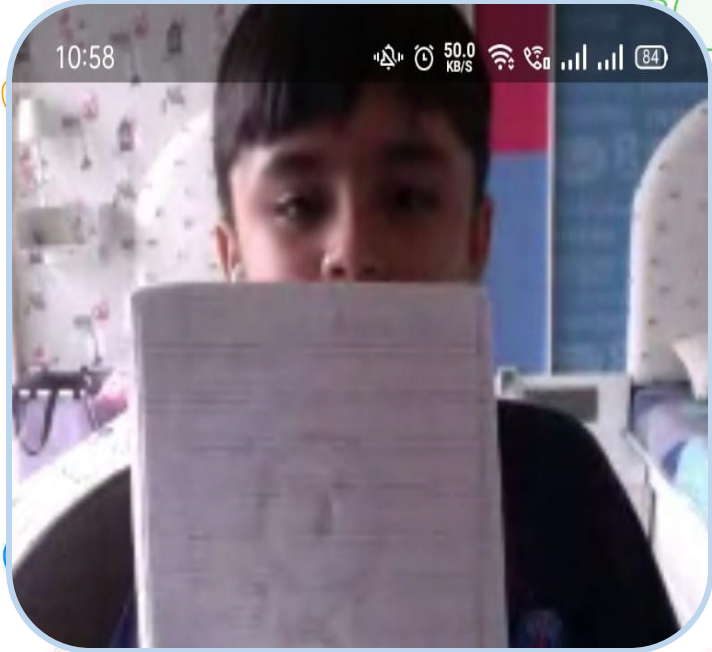

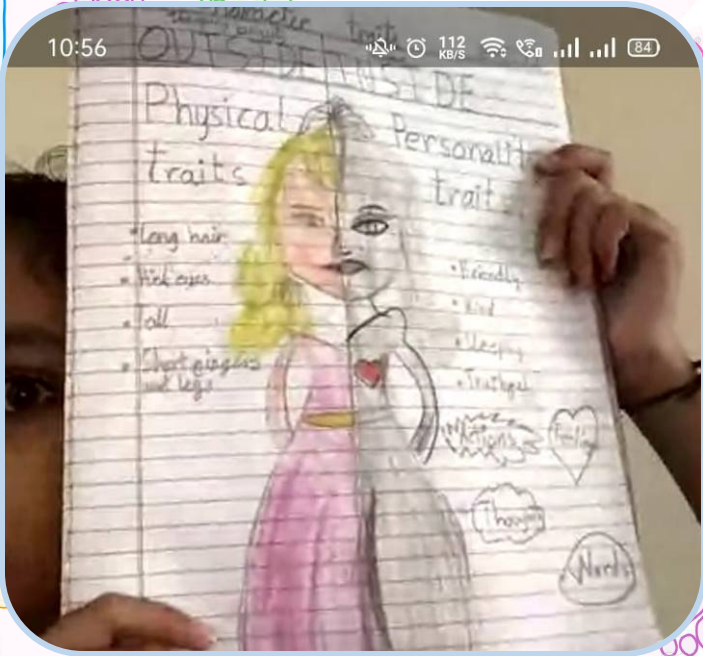

Grade 1 students became architects and planned their own apartment as a part of the Social science project. By doing this, they understood that architects need to know directions and measurements to be able to create things. They also build 2D drafts of the models before making 3D building models.

Grade 3 students learned how to describe someone using character traits. This activity was conducted to teach the students what character traits are, and how to recognise them. It allows students to examine characters.
