Rhythm Activity (Nursery)

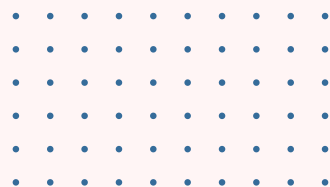

To break the monotony of the day the littlest at TSGE get into rhythmic activity, such activities engage our little learners' in the learning process and help develop things like motor skills, coordination, and balance. They also improve language and social-emotional development and promote creative expression. So have fun, be creative, and get the class moving!

A fun activity, make a caterpillar

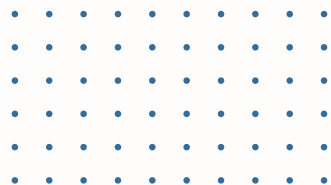

This caterpillar craft is SO FUN! Nursery learners at TSGE made this super cute caterpillar craft that really moves!

Move a straw with your hands to watch the caterpillar wriggle up and down the leaf. This craft, made with construction paper was a fun and easy to make! It's such a fun interactive craft, perfect for a story time prop or an insect lesson at school.

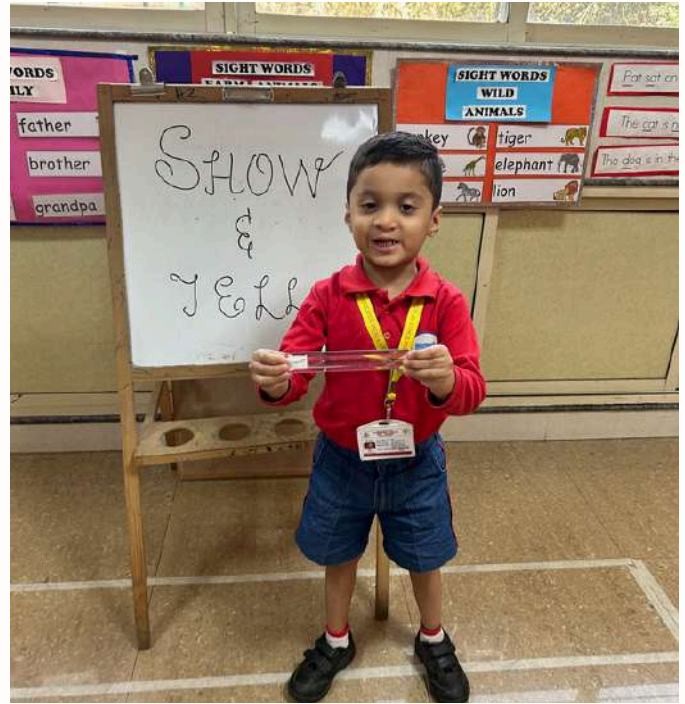

Montessori Activity

At TSGE we grabbed some yarn to enjoy a fun Montessori activity. The activity helps develop fine motor skills, hand-eye coordination, and a sense of order. The learners learn to follow a sequence of steps, which is an important skill for future learning. The learners found this a calming and meditative activity which helped them relax and focus.

Show and tell Prep II

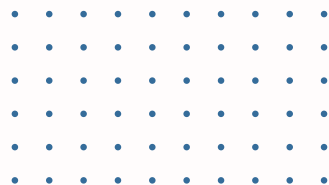

Get ready for some adorable and awe-inspiring moments! Our little superstars are about to steal the show with their amazing show and tell skills.

धन	कप	वक्ष
दस	कर	खट
धड़	खग	खन
गज	इफ	नल
गड़	रक	पग
धन	रट	धन
घर	नख	नध
छन	नट	
जग	नध	

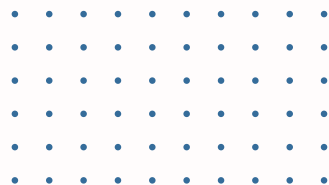

Hands-on learning for spatial skills

At TSGE, the Prep II learners engage in activities that help them develop their understanding of positional concepts. By taking turns reflecting on the position of objects or toys based on prompts, these learners are actively learning how to describe and understand spatial relationships. This hands-on approach not only makes learning fun and interactive but also encourages the use of positional vocabulary in a practical context. Through these activities, the learners at TSGE are not only playing but also enhancing their language skills and cognitive development in a creative and engaging way.

Prep I learning skip counting

To practice skip counting, Prep I @ TSGE start by choosing a number to skip count by, such as 2, 5, or 10. We use number charts or number lines to help visualize the pattern. By regularly practicing skip counting, learners can improve their number sense and mathematical fluency. It's a fun and engaging way to strengthen their math skills!

Wonder Years- Holi Celebration

Holi, the vibrant festival of colors, heralds the arrival of spring and is celebrated with immense joy and enthusiasm across India. This festival symbolizes the victory of good over evil and the arrival of spring, bringing with it a spirit of unity, joy, and merriment. Celebrating Holi in schools, particularly in institutions like The Wonder Years, adds an educational and cultural dimension to the festivities, allowing children to understand and appreciate the rich heritage of India while having fun.

Farewell 2023-24

A farewell celebration in school marks a poignant yet joyful occasion as students bid goodbye to their alma mater, teachers, and friends. It is a time of reflection, celebration, and anticipation for the future. This special event is filled with heartfelt speeches, nostalgic memories, and festive activities that honor the graduating students and their journey.

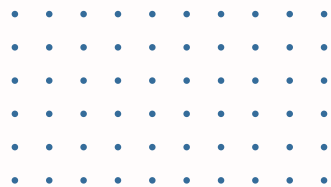

SLC

On April 6th, 2024, Thakur School of Global Education witnessed a captivating fusion of social studies and dance as Grade 3 and Grade 4 students showcased the Ramayana and The Later Vedic period. Through vibrant performances, they illustrated their understanding of these historical narratives, captivating parents, teachers, and peers alike. The Student Led Conference provided a platform for the students to demonstrate their academic and artistic prowess. Their seamless integration of academics and artistry highlighted the school's commitment to holistic education. The event was a testament to the school's dedication to nurturing well-rounded individuals. Through their performances, the students transported the audience back in time, offering a glimpse into ancient tales and traditions. It was a memorable celebration of learning, culture, and talent at Thakur School of Global Education.

PREP II Graduation Day

The culmination of Grade I and Grade II Speech and Drama at TSGE is more than just a performance—it's a celebration of achievement, growth, and potential. As students showcase their talents, they also celebrate the supportive community that has nurtured their creativity. Opportunities like these speak of their accomplishments, recognizing the dedication and perseverance that have brought them to this moment.

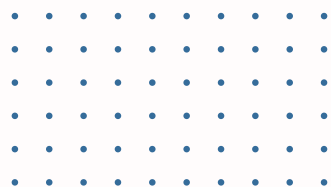

Beyond the applause, however, lies a deeper appreciation for the transformative power of the arts.

Through speech and drama, students discover their voices, cultivate empathy, and develop the confidence to navigate the complexities of the world around them.

Grade I & II Speech and Drama

The culmination of Grade I and Grade II Speech and Drama at TSGE is more than just a performance—it's a celebration of achievement, growth, and potential. As students showcase their talents, they also celebrate the supportive community that has nurtured their creativity. Opportunities like these speak of their accomplishments, recognizing the dedication and perseverance that have brought them to this moment. Beyond the applause, however, lies a deeper appreciation for the transformative power of the arts. Through speech and drama, students discover their voices, cultivate empathy, and develop the confidence to navigate the complexities of the world around them.

SUMMER CAMP 2023-24

A summer camp in school offers students a unique blend of learning, adventure, and fun during the vacation months. It provides an excellent opportunity for students to explore new interests, develop skills, and form lasting friendships in a relaxed and enjoyable environment. This structured program is designed to foster creativity, physical activity, and personal growth, making it a memorable experience for all participants.
