# Afroz Shah Foundation- Garbage Segregation - Reduce, Recycle, Reuse

Garbage segregation is the practice of separating waste into different categories for effective disposal and recycling. By organizing waste into types—such as organic, recyclable, and hazardous—we can significantly reduce pollution and conserve natural resources. At Thakur School of Global Education, we had an activity planned for the learners from Grade III to Grade VI in collaboration with Afroz Shah Foundation. They had collected dry waste including books, magazines, plastic items, aluminium cans, fabrics, clothes and many other things in a big black garbage bag where the learners had to segregate it in a particular category. By adopting garbage segregation practices, schools can significantly contribute to a cleaner environment and instill lifelong habits of sustainability in students. Together, we can work towards a greener, more responsible future!

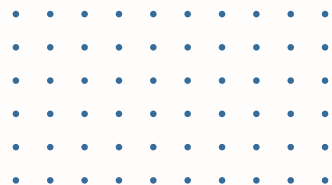

# Session on Cybersecurity

The students from Grade V to A Level participated in an engaging Cyber Security Awareness workshop conducted by Mahima Mathews, Ph.D. Scholar, CyberLabs - IIIT Kottayam

The agenda included an overview of online safety, understanding common cyber threats, and practical tips for protecting personal information. Our expert speaker highlighted the importance of developing strong passwords and recognizing phishing scams. Students also enjoyed interactive Q&A sessions, which made learning about cyber hygiene fun and relatable!

It was inspiring to see our students actively participate and envision themselves as future cyber defenders. **“Together, we’re building a safer digital world!”**

# ISO Certification

Thakur School of Global Education Achieves ISO 9001:2015 Certification!

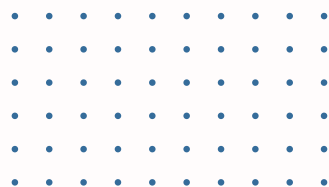

We are elated to announce a significant milestone in our journey towards excellence in education! Thakur School of Global Education has proudly achieved the prestigious ISO 9001:2015 certification, marking a new chapter in our commitment to delivering the highest standards in teaching, learning, and school administration.

The ISO 9001:2015 certification is globally recognized for quality management, emphasizing the importance of continuous improvement, consistent service delivery, and a strong focus on customer (student and parent) satisfaction. This achievement highlights our relentless efforts to create a learning environment that fosters academic rigor, innovation, and holistic development, ensuring that our students are well-equipped to meet global challenges. This monumental accomplishment would not have been possible without the vision and unwavering support of our esteemed Chairman, Mr. V.K. Singh, and our Trustees, Ms. Karishma Singh and Ms. Varsha Singh. Their guidance, encouragement, and trust in our mission have been invaluable in steering us towards this achievement.

We extend our heartfelt thanks to our dedicated team of educators, administrative staff, students, and parents, whose collective efforts, cooperation, and belief in our shared vision have played a pivotal role in this success. Together, we have reached this important milestone, and we are confident that this is just the beginning of greater achievements to come.

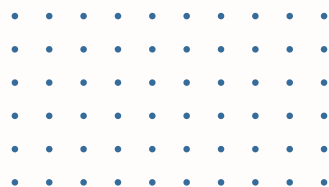

Let us continue striving for excellence, as we remain committed to nurturing globally competent, well-rounded learners who will lead the way towards a brighter future.

Thank you for being a part of this incredible journey!

# Learners Achievement

Recitation is the essence that brings poetry to life. That's exactly what our learners of the Primary Section (Grades I-IV) showcased in the Poetry Recitation Competition which was held on 30th September, 2024. They not only personified confidence but also held on the rhyme rhythm along with the power of expression that radiated during the performances. The little TSGEites not only enthusiastically recited their poetries and stole the hearts of the judges but also an inspiration to their fellow classmates.

# TKT Teachers Cambridge certificate

We are thrilled to announce that the dedicated teachers of Thakur School of Global Education have successfully completed the TKT (Teaching Knowledge Test) Cambridge training! They have achieved certificates in all three modules, demonstrating their commitment to excellence in teaching and enhancing their skills in language education. This accomplishment not only reflects their hard work and dedication but also our school's commitment to providing the best learning experience for our students. A huge congratulations to our amazing educators! 🌟

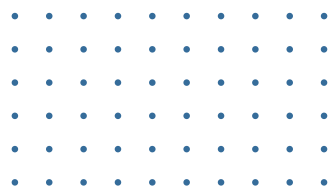

# Jungle Gym and Smart Play - Wonder Years

Recently, the Wonder Years section at Thakur School of Global Education visited the Soft Play Area and Smart Play Zone, an exciting destination designed for kids to learn, play and grow @ TPS this innovative space combines physical activity, providing an unparalleled experience for young minds.

**Soft Play Area:** The Soft Play Area is a haven for little ones, with a sprawling space filled with colorful, cushioned play structures, ball pits and slides. Learners could crawl, climb, jump and explore while developing their motor skills and being a team member by taking turns.

**Smart Play Zone:** The Smart Play Zone takes learning to the next level with interactive exhibits, with hands-on activities focusing on gross motor skills and creativity. Kids engaged with problem-solving challenges, by crossing mini hurdles, running between cones and tunnels fostering curiosity and critical thinking.

# Garba Night

Garba Night at TSGE: A Vibrant Celebration of Music and Dance

On 16th October, the crystal hall of TSGE Auditorium transformed into a colorful and energetic dance floor as parents and learners gathered for an unforgettable Garba Night.

An Evening of Joy and Togetherness

The event brought together the TSGE community, creating a lively atmosphere filled with laughter, music, and dance. The enthusiastic crowd swayed to the melodious tunes, losing themselves in the rhythm of traditional Garba beats.

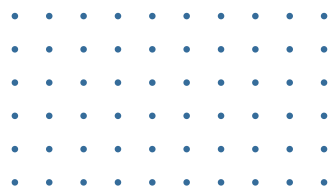

Highlights of the Night:

1. Energetic performances by talented learners and parents.
2. Traditional Garba dances, Dandiya Raas, and folk songs.
3. Vibrant costumes and accessories adding to the festive spirit.
4. Delicious refreshments and snacks.

TSGE's Commitment to Community Building:

Events like Garba Night demonstrate TSGE's dedication to fostering a sense of community, cultural appreciation, and joy among learners, parents, and staff.

Stay tuned for more exciting events and updates from TSGE!

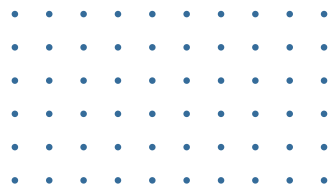

# SLC - WY & Grade I - IV

We are thrilled to share the incredible experience of our Students-Led Conference at Thakur School of Global Education!

From Nursery to Grade IV, our young learners showcased their learning and growth from Term I in a vibrant and engaging manner.

Parents and teachers witnessed firsthand the creativity, confidence, and knowledge of our students as they presented their projects and achievements. It was a fantastic opportunity for them to take the lead in their learning journey!

A big thank you to all our students for their hard work and enthusiasm, and to our supportive parents for making this event a success. Together, we are shaping bright futures!

# Exploring the Skies at Thakur Aviation College!

Our Wonder Years learners along with Grade I to IV learners had an unforgettable adventure at Thakur Aviation College. The excitement was palpable as the students eagerly boarded the bus, ready to dive into the world of aviation.

Upon arrival, the kids were thrilled to explore the airplane interiors, stepped into cockpits, and even learned about the powerful engines that make flying possible. It was amazing to see their faces light up as they imagined themselves as pilots soaring through the skies!

The fun didn't stop there! The learners also enjoyed engaging 3D videos that took them on an incredible journey through the life cycle of a butterfly and the workings of the human heart.

This trip was not only educational but also a fantastic way for our learners to bond and share their excitement for learning.

Field trips can provide a real-world example of concepts students have learned in the classroom.

For our wonder year learners, currently we have the topic of community helpers as part of their curriculum, so a field trip to an Aviation college was arranged on 21st October' 2024 which was not only fun but also an opportunity for the learners to relate classroom learning with the real world.

The learners got an opportunity to not only see a real aircraft but also have a unique experience of sitting in the cockpit and getting their hands on different controls in the cockpit. Our learners also got an opportunity to see the hangars where they had the privilege of seeing different kinds of aircraft along with a landing gear experience.

This is going to be an unforgettable experience for our learners as they were in awe of the planes and enjoyed every moment.

This field trip was arranged to spark curiosity and enhance experiential learning in children.

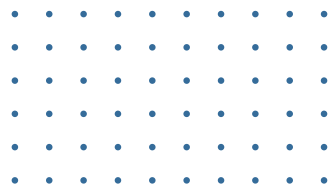

# Halloween Celebrations

This year, TSGE Wonder Years transformed into a spook-tacular wonderland for our Halloween Celebrations! The little learners embraced the spirit of the season with incredible costumes, festive decorations, and fun-filled activities.

From ghoulish games to a thrilling costume parade, the excitement was palpable! Our students showcased their creativity with a wide array of costumes, from classic ghosts to imaginative characters. The day was filled with laughter and joy as everyone participated in spooky story time, and silly games!

A huge thank you to all the teachers, parents, and volunteers who helped make this event a success. Your dedication and enthusiasm brought our Halloween festivities to life!

# Community Helpers Fiesta

Our little ones at Thakur School of Global Education transformed into superheroes of the community as their culmination of the unit (Community Helpers) celebrated Community Helpers Day! From firefighters to doctors, teachers to police officers, our students dressed up as the amazing people who help keep our community safe and thriving.

Through fun activities and engaging presentations, they showcased what they learned about each role and the importance of teamwork and service. It was heartwarming to see their creativity shine and their enthusiasm for these vital professions!

A huge thank you to all the parents and community helpers who support our school and inspire our students every day. Together, we're building a brighter future! 🌈❤️

# Diwali Celebrations

Our learners truly embraced the Diwali spirit with creativity, sharing, and gratitude. From vibrant diya painting to a joyful potluck with friends, and a heartfelt "Joy of Giving" for our wonderful ancillary staff, the celebrations were filled with warmth and happiness.

The festive vibes continued as everyone grooved to fantastic music, celebrating the close of a successful Term I with their teachers. Here's to joy, togetherness, and a bright festive season ahead! ✨
